CASE NO.: 2:16-cr-00146-GMN-PAL

ORDER

This matter comes before the Court on Defendant Ammon Bundy's motion regarding pre-trial-detention conditions, and custodial searches, made orally at the October 6, 2017 status conference conducted in this case. Defendant Ryan Payne orally joined in the motion.

Defendants Ammon Bundy, Ryan Payne and Ryan Bundy are currently being detained at the Nevada Southern Detention Center in Pahrump, Nevada. According to representations shared in open court by Mr. Ammon Bundy, who was present telephonically, and the acting assistant warden at the Nevada Southern Detention Center (the "Detention Center"), who was also present telephonically, Ammon Bundy is strip searched every time he leaves the Detention Center, whether or not a contact or public visit has occurred. Ammon Bundy is also strip searched every time he returns to the Detention Center. Also, according to Ammon Bundy, he is strip searched prior to leaving solitary confinement whether or not a contact or public visit has occurred. The assistant warden of the Detention Center indicated that all of the persons being held at the Detention Center were treated in the same fashion and that these strip searches were "absolutely" necessary to ensure that no contraband, i.e. anything not allowed in the facility, in fact enters into the Detention Center.

At the hearing, the U.S. Marshal's Office indicated that conditions at the Henderson

1 Detention Center were not as stringent.

2 Therefore, to facilitate the efficiency of the upcoming trial and ensure the presence of all
3 defendants at trial, and for all the reasons stated on the record at the October 6, 2017 status
4 conference,

5 **IT IS HEREBY ORDERED** that the following conditions regarding the pre-trial detention
6 and custodial searches of Ammon Bundy, Ryan Bundy, and Ryan Payne shall apply:

- 7 1. There shall be no strip searches or cavity searches of Ammon Bundy, Ryan Bundy,
8 and Ryan Payne, who shall only be required to remove their clothing down to, but
9 not including, their undergarments.
- 10 2. Searches may instead be conducted by pat-down, handheld magnetometer, or other
11 technology as available.
- 12 3. Ammon Bundy, Ryan Bundy, and Ryan Payne shall be transferred to the Henderson
13 Detention Center at a time shortly before the trial, currently set for October 30,
14 2017.

15 DATED this ____ day of October 2017.
